

How to write a blog post for the Digital Bridges Blog

1. Go to digitalbridges.lg-ks.de and click „**Log in**“ on the right hand side. On mobile, click the  button first.

2. Click [Log in with username and password](#)

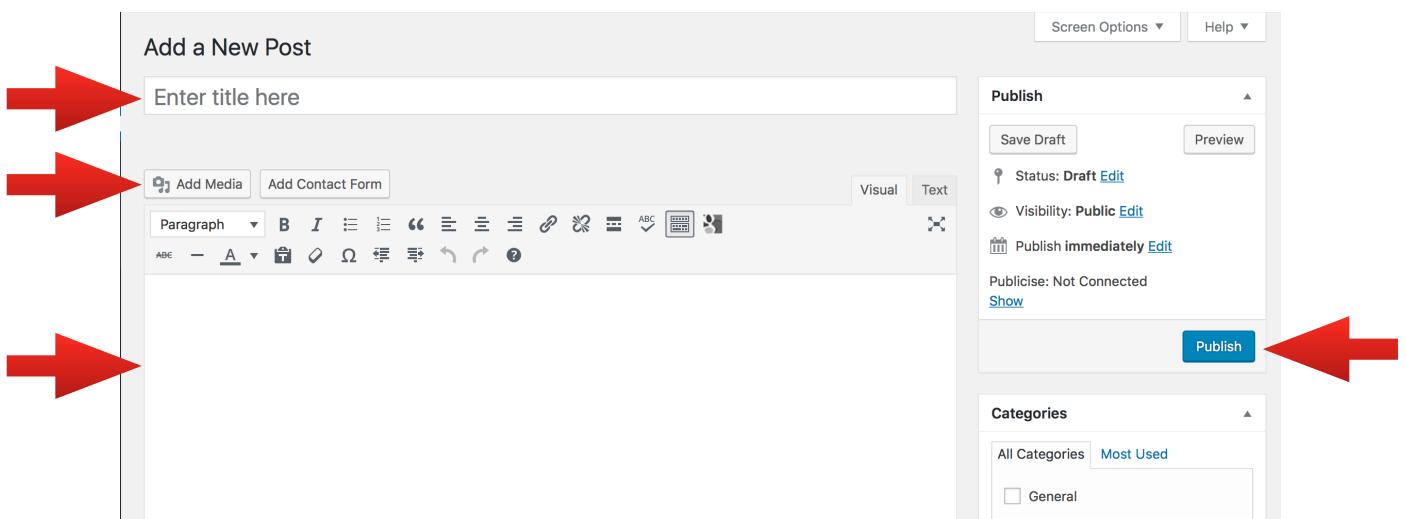

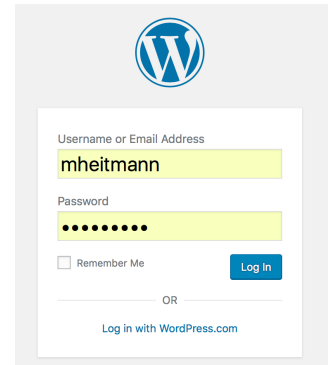

3. Enter your Login information and click „**Log in**“

4. On the left hand side, click  **Posts**

(on mobile, click  first)
and then „**Add new**“

5. Write your post, choose a title and upload media if you wish. Click „**Publish**“.

Note: movie files are limited to **4 mins**.

Any questions?
